OFFICE OF THE KENTUCKY STATE TREASURER

Mark H. Metcalf

Dear Sir or Madam:

As Kentucky's State Treasurer, I'm responsible for returning to Kentuckians as much unclaimed property as possible to its rightful owners. Currently, the State Treasury safeguards some \$800 million in unclaimed assets. We take pride in being this property's custodian, which includes cash, stock and bonds, and the contents of safe deposit boxes that include precious military decorations and awards.

The Treasury is not just the caretaker of these belongings; in many cases, we are preserving the history and heritage of families--that is why it is paramount that we reunite Kentuckians with what is rightfully theirs. However, with so many assets under our care, you can imagine that returning this property is a huge challenge, but it is a task we are eager to undertake. To accomplish our goal, we need your help.

I want to encourage voluntary compliance from holders of unclaimed property. As a holder, you are critical in fulfilling our mission of reuniting owners with their property. I urge you to report to the Treasury all unclaimed property you may retain. In reporting your holdings, I also respectfully request that you provide as much detailed information as possible, as this will significantly assist us in locating the owners.

Every day the Treasury's Unclaimed Property Division works tirelessly to return assets to the citizens of Kentucky. We spread awareness through social media, and coordinate with local media and government agencies to inform Kentuckians about unclaimed property. We also directly address Kentuckians through speaking engagements that described the claims process and encourage citizens to make claims.

By visiting the Treasury's database at www.treasury.ky.gov, you can search for Kentucky's unclaimed property and find reporting forms and instructions. You may also visit MissingMoney.com | Search for Unclaimed Property to find unclaimed property held by other states nationwide.

This booklet contains written instructions to enable you to report the property that should be remitted to the Treasury. Please contact the Treasury at 1-800-465-4722 or e-mail unclaimed.property@ky.gov if you have any questions.

I am humbled and honored by the opportunity to serve as your Kentucky State Treasurer. I look forward to working with you on programs that invest in Kentucky's future by giving back to citizens what is rightfully theirs. Thank you in advance for your willingness to partner with us.

Sincerely,

Mark H. Metcalf,

Kentucky State Treasurer

INTEREST BEARING ACCOUNTS

ATTENTION: Important Information on Statements Below

Pursuant to the provisions of KRS 393A.040, 20 KAR 1:090 provides that each interest bearing account should be placed in accounts titled in the original owner's (depositor's) name, assignable to the Commonwealth of Kentucky, Department of Treasury. The rate of interest earned by each assignable account must be the same as the contract rate earned by the predecessor account. **No fees or charges** shall be imposed by the holder from and after the date of presumption of abandonment. Assignable accounts can be set up as a new account or as a name change effected by the institution.

These accounts should be entered electronically in the NAUPA Format making sure to enter the reported dollar amount in the **Initial Amount** field and enter the **Deduction Code** "IW" (for interest bearing) then entering the dollar amount again in the **Deduction Amount** field to show the funds will remain with the financial institution to draw interest. Be sure to report each account individually (i.e., no aggregates) and note that interest bearing accounts for out-of-state owners cannot be reported to Kentucky.

Also, please **do not report** accounts that have been reported in previous years.

We require that holders reporting Interest Bearing Accounts to Unclaimed Property send **one** year end statement for each individual account. **Monthly or quarterly statements for these accounts will be returned unopened.**

These account statements must list: owner's name, account number, year originally reported to the state of Kentucky, contract rate of interest, interest accrued for the reporting year and total value at the end of the reporting year.

Annual statement information can be provided in spread sheet form or one statement can be printed for each account showing the required information. If printing individual statements, those statements should be mailed together in one envelope and sorted by year reported.

If there were any accounts reactivated throughout the statement period, send a listing of those accounts with your annual state-ment. We still require that you send immediate notification when these transactions occur, but providing this list with your annual statement will ensure no reactivated accounts were missed.

Important: Please notify our office in writing when an account previously reported has been claimed by its owner or has been closed.

Holders are required to remit Interest Bearing accounts they have previously reported as unclaimed property and held **for ten years.**

Accounts reported in 2014 are due to be remitted in 2024. DO NOT INCLUDE THESE PROPERTIES ON THE 2024 HOLDER REPORT FORM.

Instructions for remitting interest bearing accounts will be provided to the respective companies when they are due to remit.

FREQUENTLY ASKED QUESTIONS

Q. What is unclaimed property?

A. All intangible property unclaimed by its owner for a specific period of time, called a dormancy period. Unclaimed property may include: dormant savings and checking accounts, unclaimed wages, dividends, credit balances and any type of outstanding checks. Tangible property may include contents of safe deposit boxes or items left in safekeeping.

Q. Who is a holder?

A. All business entities of two or more individuals doing business in Kentucky.

Q. If a holder pays an account to an owner after the account has been paid to the state, how does the holder get reimbursed?

A. Before refunding an account to an owner, the holder should contact the Kentucky Department of Treasury Unclaimed Property Division and make sure the account is available to claim. Then the Unclaimed Property Division will send a reimbursement form upon request.

Q. Why does Kentucky have an Unclaimed Property Law?

A. To protect the property rights of the owner and to reunite the owner with the property. To relieve the holders of the expense and liability of carrying the property. To provide a centralized search location for citizens.

Q. Is there a minimum amount?

A. No. Businesses must report all unclaimed property, no matter how small, *except for wages under \$50*. The State Treasurer safeguards the property forever.

Q. How can Kentucky citizens find their lost property?

A. Call the business that may be holding the property or search online at: www.MissingMoney.com.

Q. How should I report any unclaimed property that I may have?

A. Report by submitting your information created in the NAUPA Standard Electronic Format on line utilizing the Online Holder Import Tool.

Q. What does the state require for notification to the owner?

A. The holder must send written notice to the owner at the owner's last known address if the property is valued at \$50 or more.

Q. What happens if a holder does NOT report unclaimed property?

A. A holder who fails to report, pay or deliver property within the time prescribed by law will be subject to all penalties under KRS 393 A. **Nonfilers may be subject to audit.**

FREQUENTLY ASKED QUESTIONS

Q. What attempts are made by the holder and the state to find the rightful owner?

A. The first attempt to locate the owner is made by the holder. A notice is mailed to the owner's last known address.

Once the property has been reported to the state, the State Treasurer searches for the owner by publishing an annual advertisement on www.missingmoney.com.

The State Treasurer uses other outreach opportunities including the internet, fairs, media, state conventions and malls to locate owners. City, county and state public officials are also an important part of owner outreach. The State Treasurer serves as the custodian until the property is claimed.

Q. What do financial institutions (banks, credit unions, savings & loans, etc.) do with interest bearing accounts?

A. Interest bearing accounts should be placed in accounts titled in the owner's (depositor's) name, assignable to the Commonwealth of Kentucky, Department of the Treasury, and must earn the same rate of interest as the contract rate for the predecessor account with no fees assessed against the accounts. Page 6 contains detailed instructions for interest bearing account reporting.

Q. What is the aggregate reporting amount in the state of Kentucky?

A. Kentucky's aggregate reporting amount is property under \$50.00

For definitions of specific terms, refer to the Glossary on page 21.

REPORTING FOR OTHER STATES

Filing One Report

If you are a business located in the Commonwealth of Kentucky, you can file one Unclaimed Property Report with the Kentucky Department of Treasury even if you are holding the property of owners who live in other states. Submit one file containing Kentucky owners as well as out-of-state owners. Do not include a separate file for each state. The Commonwealth of Kentucky is an exchange state without a reciprocal Agreement.

Please Note: Some states may require you to report to them directly.

Here's How

If you wish to file out-of-state accounts with the Kentucky Department of Treasury, please follow the guidelines below. We will forward the reported properties to the respective states.

1. You must report electronically through a reporting software.
2. Use the abandonment period required by the state of the owner's last known address.
3. Notify the other states of your intent to report to Kentucky.

Contact the Kentucky Department of Treasury for a list of other states unclaimed property offices.

4. Unfortunately, we cannot accept out-of-state safe deposit box contents.
5. You can log onto the NAUPA website www.unclaimed.org to find the contact information for each state.

Tangible Personal Property: Property that is physical, such as a diamond ring or a silver coin.

Underlying Shares: Shares of stock that have been issued by a business association, or a banking or financial institution. The original certificate for the shares is in the possession of the shareholders, who have failed to either cash the dividend checks or correspond with the issuing corporation.

Code	Short Description	Definition
IN	Insured	The person or entity who will be compensated for loss by an insurer under the terms of a contract called an insurance policy.
JT	Joint Tenants	An account held in joint tenancy presumes a right of survivorship, but this presumption can be overcome by evidence that the account was really the property of only one, and the joint tenancy was for convenience. Right of Survivorship is not specifically stated.
JS	Joint Tenants with Rights of Survivorship	A type of account which is owned by at least two people, where all tenants have an equal right to the account's assets and are afforded survivorship rights in the event of the death of another account holder. In this type of account, a surviving member will inherit the total value of the other member's share of account assets upon the death of that other member. All members of the account are afforded the power to conduct investment transactions within the account as well.
TC	Tenants in Common	A type of account which is owned by at least two people with no rights of survivorship afforded to any of the account holders. In this type of account, a surviving tenant of the account does not necessarily acquire the rights (and account assets) of the deceased person. Rather, each tenant in the account can stipulate in a written will how his/her assets will be distributed upon his/her death. Generally, the member ownership in the account is determined on a pro rata basis, meaning that if there are two tenants in the account, each will have a 50% claim on the account's value.

NAUPA STANDARD ELECTRONIC FILE FORMAT RELATIONSHIP AND OWNERSHIP CODES

Relationship Codes		
Code	Short Description	Definition
UG	Uniform Gifts to Minor	Property that is gifted to a Minor under the Uniform Gifts to Minors Act – (UGMA). This act allows minors to own property such as securities. Under the UGMA, the ownership of the funds works like it does with any other trust except that the donor must appoint a custodian (the trustee) to look after the account. Regardless of whether the minor has reached the age of majority, they should be coded with the UG relation. The custodian on the account should be coded as CU.
UT	Uniform Transfer to Minor	Property that is gifted to a minor under the Uniform Transfer to Minors Act – (UTMA). This act allows a minor to receive gifts such as money, patents, royalties, real estate and fine art, without the aid of a guardian or trustee. The gift giver or an appointed custodian manages the minor's account until the minor is of age (usually 18 or 21).
UN	Unknown	The owner's relationship to the property is not known.
UF	Usufruct	Usufruct is a real right in a property owned by another, normally for a limited time or until death. Simply stated, it is the right to use the property, to enjoy the fruits and income of the property, to rent the property out and to collect the rents, all to the exclusion of the underlying real or naked owner. The usufructuary has the full right to use the property but cannot dispose of the property nor can it be destroyed.
