### Office of the Kentucky State Treasurer Allison Ball

Dear Unclaimed Property Holder:

As Kentucky State Treasurer, one of my major focuses is to return as much unclaimed property with as many owners as possible. My office strives to achieve this with the highest level of service to the public. In order to meet this challenge, we need your help. My overall goal is to promote voluntary compliance from holders. As an unclaimed property holder, you play a vital role in fulfilling our mission of reuniting owners with their property and I encourage you to report all unclaimed property you may be holding. I also ask you to provide as much detailed information as possible to assist my office in locating the owners.

Kentucky has more than \$680 million in unclaimed assets that the Treasury's Unclaimed Property Division is working hard to return to the rightful owners—the people of Kentucky. To get the word out to the public, we advertise, reach out through social media, and work with local media and government agencies to inform Kentuckians about this program, and we directly address the holder community through speaking engagements to provide guidance with the reporting process.

Through the Treasury's database, www.missingmoney.com, you can search not only the Kentucky State Treasury's unclaimed property, but also property held by other states nationwide. Reporting forms and instructions are also available on the Treasury's website, www.treasury.ky.gov.

Since taking office in 2016, I have returned more than \$109 million, thousands of shares of stock, and the contents of hundreds of safe deposit boxes to the rightful owners. These returns are historic. I am determined to return even more unclaimed property to Kentuckians in my second term, as I believe it is a way to invest in our future by giving back to citizens what is rightfully theirs.

This booklet contains clearly written instructions that will enable you to accurately report the property you hold. Please contact the Treasury at 1-800-465-4722 or e-mail unclaimed.property@ky.gov if you have any questions.

I appreciate the opportunity to serve as your Kentucky State Treasurer, and I look forward to working with you on programs that invest in Kentucky's future.

Sincerely,

Allison Ball Kentucky State Treasurer

### INTEREST BEARING ACCOUNTS

#### ATTENTION: Important Information on Statements Below

Pursuant to the provisions of KRS 393A.040, 20 KAR 1:090 provides that each interest bearing account should be placed in accounts titled in the original owner's (depositor's) name, assignable to the Commonwealth of Kentucky, Department of Treasury. The rate of interest earned by each assignable account must be the same as the contract rate earned by the predecessor account. **No fees or charges** shall be imposed by the holder from and after the date of presumption of abandonment. Assignable accounts can be set up as a new account or as a name change effected by the institution.

These accounts should be entered electronically in the NAUPA Format making sure to enter the reported dollar amount in the **Initial Amount** field and enter the **Deduction Code** "IW" (for interest bearing) then entering the dollar amount again in the **Deduction Amount** field to show the funds will remain with the financial institution to draw interest. Be sure to report each account individually (i.e., no aggregates) and note that interest bearing accounts for out-of-state owners cannot be reported to Kentucky.

Also, please **do not report** accounts that have been reported in previous years.

We require that holders reporting Interest Bearing Accounts to Unclaimed Property send one year end statement for each individual account. Monthly or quarterly statements for these accounts will be returned unopened.

These account statements must list: owner's name, account

number, year originally reported to the state of Kentucky, contract rate of interest, interest accrued for the reporting year and total value at the end of the reporting year.

Annual statement information can be provided in spread sheet form or one statement can be printed for each account showing the required information. If printing individual statements, those statements should be mailed together in one envelope and sorted by year reported.

If there were any accounts reactivated throughout the statement period, send a listing of those accounts with your annual state-ment. We still require that you send immediate notification when these transactions occur, but providing this list with your annual statement will ensure no reactivated accounts were missed.

Important: Please notify our office in writing when an account previously reported has been claimed by its owner or has been closed.

Holders are required to remit Interest Bearing accounts they have previously reported as unclaimed property and held **for ten years.** 

Accounts reported in 2011 are due to be remitted in 2021. DO NOT INCLUDE THESE PROPERTIES ON THE 2021 HOLDER REPORT FORM.

### Q. If a holder pays an account to an owner after the account has been paid to the state, how does the holder get reimbursed?

Once the property has been reported to the state, the State Treasurer searches for the owner by publishing an annual advertisement on www.missingmoney.com.

The State Treasurer uses other outreach opportunities including the internet, fairs, media, state conventions and malls to locate owners. City, county and state public officials are also an important part of owner outreach. The State Treasurer serves as the custodian until the property is claimed.

### Q. What do financial institutions (banks, credit unions, savings & loans, etc.) do with interest bearing accounts?

A. Interest bearing accounts should be placed in accounts titled in the owner's (depositor's) name, assignable to the Commonwealth of Kentucky, Department of the Treasury, and must earn the same rate of interest as the contract rate for the predecessor account with no fees assessed against the accounts. Code	Short Description	Definition
IN	Insured	The person or entity who will be compensated for loss by an insurer under the terms of a contract called an insurance policy.
JT	Joint Tenants	An account held in joint tenancy presumes a right of survivorship, but this presumption can be overcome by evidence that the account was really the property of only one, and the joint tenancy was for convenience. Right of Survivorship is not specifically stated.
JS	Joint Tenants with Rights of Survivorship	A type of account which is owned by at least two people, where all tenants have an equal right to the account's assets and are afforded survivorship rights in the event of the death of another account holder. In this type of account, a surviving member will inherit the total value of the other member's share of account assets upon the death of that other member. All members of the account are afforded the power to conduct investment transactions within the account as well.
TC	Tenants in Common	A type of account which is owned by at least two people with no rights of survivorship afforded to any of the account holders. In this type of account, a surviving tenant of the account does not necessarily acquire the rights (and account assets) of the deceased person. Rather, each tenant in the account can stipulate in a written will how his/her assets will be distributed upon his/her death. Generally, the member ownership in the account is determined on a pro rata basis, meaning that if there are two tenants in the account, each will have a 50% claim on the account's value.

### NAUPA STANDARD ELECTRONIC FILE FORMAT RELATIONSHIP AND OWNERSHIP CODES

		Relationship Codes
Code	Short Description	Definition
UG	Uniform Gifts to Minor	Property that is gifted to a Minor under the Uniform Gifts to Minors Act – (UGMA). This act allows minors to own property such as securities. Under the UGMA, the ownership of the funds works like it does with any other trust except that the donor must appoint a custodian (the trustee) to look after the account. Regardless of whether the minor has reached the age of majority, they should be coded with the UG relation. The custodian on the account should be coded as CU.
UT	Uniform Transfer to Minor	Property that is gifted to a minor under the Uniform Transfer to Minors Act – (UTMA). This act allows a minor to receive gifts such as money, patents, royalties, real estate and fine art, without the aid of a guardian or trustee. The gift giver or an appointed custodian manages the minor's account until the minor is of age (usually 18 or 21).
UN	Unknown	The owner's relationship to the property is not known.
UF	Usufruct	Usufruct is a real right in a property owned by another, normally for a limited time or until death. Simply stated, it is the right to use the property, to enjoy the fruits and income of the property, to rent the property out and to collect the rents, all to the exclusion of the underlying real or naked owner. The usufructuary has the full right to use the property but cannot dispose of the property nor can it be destroyed.
